EX-Works San Bernardino, CA USA  
SERVICE: **24-hour Turn-Around**  
TERMS: Net 30 Days, on approval of credit  
WARRANTY: **90 Days**, parts and labor

Easy to use and operate, the CI-50 can be programmed in seconds and interrupting immediately.

The small panel size of the CI-50 allows for a large amount of storage room inside the case. The case can also be locked.

The CI-50 uses AA batteries. Easy to find and easy to replace. The AA batteries in the CI-50 will keep it operating for more than 80 hours.

The CI-50 Interrupter comes with the cable included. The single, locking connector leads to a pair of booted clamps. Cable length is 6' (1.8m) (p/n: 026-085)
